October 2022

October arrived with its usual beautiful weather making mornings (at least) perfect for outdoor activities.

In just 5 short weeks we will all be together again for our Welcome Back party on **Monday Nov. 7 at 4:00!** If you haven't signed up yet please do so on the website.

The golf course has been closed for 2 weeks and though it is being maintained there is no sign of overseed preparation. As with last fall we are in that same frustrating "waiting game".

That being said, our first tournament, **Partner Eclectic is scheduled for Nov. 14.** This year we are eliminating the 10-stroke differential requirement between partners. So feel free to pair with any other member or you may sign up as a single and we will pair you. We are holding off on website sign-ups until we have a bit more info on the golf course.

Please feel free to reply if you have any questions, etc.

Safe travels everyone...see you very soon!
